Inside Your Strategy Guide, You'll Learn The Seven Multipliers That Will Save You Time, Energy, and Money, Like...

- ➔ The best way to focus on the "features" of your membership business.
- ➔ The specific steps to take your members from sign-up to fully engaged in your program
- ➔ How to attract prospects with your marketing, nurture them and get them to become members.
- ➔ Why you need a system for ascension, descension, and retention within your membership program.
- ➔ And much, much more!

What others are saying...

Dan Kennedy, Founder of No BS Inner Circle

"Scott Whitaker has neatly consolidated the vital truths and fundamentals about what I call "the membership concept," which I have have used for my own fortune and for countless clients. His advice is drawn from solid, successful experience, not theory. To be a member, it must mean something and that meaning must be systematically reinforced. Scott knows this!"

Kim Walsh-Phillips, Powerful Professionals

"In just the first 30 minutes of going through Scott's program, we were able to multiply our membership revenue path more than 300%!!"

Todd Tremonte, Real Estate Coach

"Scott Whitaker is a membership master! Two tips in under five minutes helped double our monthly membership revenue. Double! No bull!"
